The Temple of Karnak is actually three main temples, smaller enclosed temples, and several outer temples situated on 247 acres of land.

**Luxor Temple:** The Temple of Luxor was the center of the most important festival, the festival of Opet. Built largely by Amenhotep III and Rameses II, the temple's purpose was as a setting for the rituals of the festival. The festival was to reconcile the human aspect of the ruler with the divine office.

**Valley of the Kings:**

The final resting place of Egypt's rulers from the 18th to 20th dynasty, it is home to tombs including the great pharaoh Ramses II and boy pharaoh Tutankhamen.

The tombs were well stocked with all the material goods a ruler might need in the next world. Most of the decoration inside the tombs is still well preserved.

**Hatshepsut Temple:**

It is one of the most beautiful & best preserved of all of the temples of Ancient Egypt. The temple was built on three levels with two wide ramps in a central position joining the levels together.
