Second Day :Day 2: Dead Sea –Petra visit - Wadi Rum visit – Wadi Rum overnight

Distance: 3 hr 6 min (195.8 km) At first, you will visit one of the Seven Wonders of the World (Petra), Take in the captivating splendour of Jordan's most famous landmark, the rose-red City of Petra, which is also a UNESCO World Heritage site. Walk through the magnificent Siq, a tiny canyon with towering rocks on either side that serves as the dramatic entrance to Petra, for the first 700 meters of your exploration.

Also, you will explore the little Petra (Beidha): is a fascinating site due to the similarities with Petra. Like the ancient city of Petra, Al Beidha is constructed behind a narrow canyon which acts as a passageway. The Cold Siq of Al Beidha is slightly smaller than The Siq at Petra and visitors will need to hike through it to reach the ruins of Little Petra. The cliffs that surround the ruins of Little Petra are eroded by wind and are very interesting to see. There are many broken tablets located around the site which dates to the Neolithic period.

Distance: 1 hr 37 min (104.6 km)

Afterward, you will be visiting Wadi Rum; a stunning desert valley located in southern Jordan. It is famous for its breathtaking red sand dunes, towering rock formations, and vast open
