Days Table

First Day :City Tour from Portsaid

Our Guide will Pick you from your cruise in Portsaid to Explore Portsaid and get a good feel for the city we will start our tour with Visiting the suez Canal observation Point.

Suez Canal Observation Point:

Start your visit by heading to the Suez Canal observation point. Watch the massive ships pass through this iconic waterway, which is a unique and fascinating sight.

Port Said Military Museum:

Next, visit the Port Said Military Museum to learn about the city's history, especially its role in the 1956 Suez Crisis. The museum offers a variety of exhibits showcasing military artifacts, uniforms, and historical photos.

Lighthouse of Port Said :

The Port Said Lighthouse was the first building in the world created with reinforced concrete. Erected in 1869 by François Coignet, the lighthouse today is the longest-standing edifice in the city, and at 56 meters (184 feet) high, it's considered an icon of Port Said because of its elegant design. The large sphere at the top was originally used to determine the power and direction of the wind.

Port Said Bazaar District:

Spend some time exploring the Bazaar District. Browse through the local markets, where you can buy souvenirs, traditional crafts, and textiles. This is also a great place to experience the local culture and atmosphere.

Stroll along the Corniche:

Walk along the waterfront promenade, enjoy the sea views, and perhaps stop at a café for a quick refreshment or a local snack. This itinerary allows you to experience a mix of history, culture, and natural beauty within your limited time in Port Said.

A visit to the Train Station to see the paintings lining the walls of the main entrance. Then visit to Al Salam Mosque or Al Abassi Mosque to view from outside to take pictures .
