First Day :Tour to Luxor museum and Felucca ride

Our tour guide will take you from your hotel in Luxor to the city downtown on the Nile side to visit the wonderful museum

Luxor Museum was inaugurated in 1975. It is a two-story building. The range of artifacts on display is far more restricted than the country's main collections in the Egyptian Museum in Cairo; this was, however, deliberate, since the museum prides itself on the quality of the pieces it has, the uncluttered way in which they are displayed, and the clear multilingual labeling used.

The museum was conceived by the Egyptian Ministry of Culture, which hired Dr. Mahmud El Hakim, a top Egyptian architect, to create the plans in 1962. The installation of the museum artworks came later and was finished between 1972 and 1975.
